ROOF TENT

maxim

Company Profile

We are a professional company specializing in vehicle-mounted camping equipment, with direct partnerships with manufacturers and our own in-house product development team.

We focus on supplying reliable outdoor gear that turns every road trip into an unforgettable experience. Our product range includes rooftop tents, side awnings, portable camping chairs, and car air mattresses, covering all your outdoor camping needs.

Working closely with the technical teams of our partner factories, we continuously optimize product specifications, with an emphasis on lightweight materials, long-term durability, and user-friendly designs, ensuring each product performs well in diverse outdoor conditions.

We carry out strict quality inspections throughout the sourcing and production process to guarantee that every product delivered to our global customers meets established performance standards.

Whether you are planning a cross-country self-driving tour or looking for a comfortable stay at a campsite, we serve as a reliable bridge between premium camping products and outdoor enthusiasts.
